This Target Shotgun Festival will consist of a ten-stage match and a snooker competition. These have a variety of targets (static and moving), firing positions and distances to test your shooting prowess. There will be a full briefing given before the start of each stage. To complete the stages you will need a minimum of 25 rds of Slug, 25 rds of Ball Buckshot/SG and 25 rds of Birdshot. This will be the minimum number of rounds, as you are allowed to top up on the timed/comstock stages. To keep the costs down there is no Timed and Precision One or Multi-Target Match and this is reflected in the entry price of £25.00 for NRA members. All competitors will need to be on range at 0830 hrs unless prior arrangements have been made with the Shooting Division in the NSC.
