NRA Shooting Club

The National Rifle Association is the governing body for fullbore target shooting. It is also a Home Office Approved club. We have organized a shooting club aimed primarily, *but not exclusively*, at the new shooter, to improve marksmanship, share knowledge & meet other shooters.

There will not be any formal training, as the NRA runs skills courses, but there will be advice available from more senior & experienced members.

All Individual Full Members of the NRA are eligible. (No extra membership cost involved.)

If you are interested in being a part of the NRA Shooting Club then please contact me. Email: nrasc@nra.org.uk or download the registration form from the website.

Kind regards
