

NRASC

@

BSRC

Hi Everybody,

Thank you for your support today on BSRC's main layout – where we had the same set-up as they use for a major match in their calendar. Special thanks to those who came back and gave us a second chance after the Running Boar failed to run on Time Limit range back in August.

Looking at the score sheets, it looks like most people managed to get a go on almost everything.

For many who were shooting these new disciplines with centre fire rifles for the first time, congratulations on producing such respectable and impressive scores on your first attempt.

Nearly 30 people attended and well done to our winners who were

Moving Targets (either Running Boar / 100 or Deer / 50 x 2)

- 1st Ricky Buchanan (BSRC tankard + shoot for NRASC at Haggis Match)
- 2nd Morgan Morton (chocolates + shoot in BSRC Interclub team next spring)
- 3rd Cornelius Schalkwyk (chocolates + shoot in BSRC Interclub team next spring)

Static Targets (best of Stalkers Test / Roebuck Snaps / Fox Snaps)

- 1st Tim Butterworth (BSRC tankard + shoot for NRASC at Haggis Match)
- 2nd Ed Bush (chocolates + shoot in BSRC Interclub team next spring)
- 3rd Ray Collins (chocolates + shoot in BSRC Intrclub team next spring)

Very pleasing to see that at least two of our highest scorers today were shooting with rifles loaned by other club members.. or NRA rifles which number 2 x CZ's and a great old 0.303 sporter from the 60's !

We hoped you enjoyed lunch on the range.. a Sporting Rifle Club tradition – best enjoyed as a barbeque in the summer - but nice to stay on the layout over the lunch hour and chat about all this new fun. Well done the OSM outside catering service, again.

Finally, considerable thanks are due to our coaches, range officers and helpers who were forgoing the opportunity to shoot, themselves, in order to make the whole day possible

Thank you John (Kynoch), Myles (Robertson), Dave (Yendell), Nigel (Gibbens), Jeremy (Jones) and John (Ware).

We hope we've given you the flavour of what's the normal diet of British Sporting Rifle Club members and that you liked it and will come back for more at our next Sporting Rifle day.

Well done Nigel for having the presence of mind to snap this picture of the winners and John Kynoch outside the British Sporting Rifle Club on his mobile phone.

Best Rgds
Simon
